A special thank you also goes out to Calvin Knapp and Orville Cheek for all the set up you assisted with (and your amp, Orv) A precious thank you goes out to Pat Matthews for the kind words she had to say at the end of our prize give-aways, you truly made our day, Pat!

OK... WHAT'S A NICHE? A niche is a recess in a wall for a statue or vase; an especially suitable place or position.

So... for Flower Show

purposes, there are 3 sided cardboard structures provided for people to set their display in. These niches can be a topic of your choice; let's say you've been on a trip, you have a collection of pictures/souvenirs/t-shirt etc from that experience. Pick an attractive backdrop cloth, blanket, shawl, etc. that connects/compliments your trip items, arrange all in a way that pleases you, and ... you have entered a niche! There are also niche categories that state 'accent on roses' for example, in this case you would put a display together that highlights the vase of roses.

This month I was fortunate to attend a Neighbourhood place meeting in Alix and enjoy the sights of the community. it got me thinking of what highlights I could share if bringing the group here to Elnora! What are *your* suggestions?

It was also a pleasure to help Arden Delidais with the yard judging, a task easier said than done! Thank you everyone for the opportunity to peek into your many serene, tasteful, tidy yards. {we didn't raid any of your gardens}

I've enjoyed working with Helena of FCSS and Cheryl Sherwin at Community Savings on the upcoming Street Party, an appreciation for Volunteers and a kick off for the 10th Annual Brahma Rama. Unfortunately I will miss both of these community events due to my holiday plans from July 29 to the August 13

if an emergency please feel free to contact my Board Chair, Karen Pennock at 773-3556

10th Annual Brahma Rama!!

Brahma Rama time is once again upon us. The committee would like to extend a huge "Thank you" to all volunteer's who've worked over the past nine years. Before long we will be contacting everyone again for their help. Each year the proceeds go towards a community project. this year everyone who volunteers any amount of time will be entered into a draw for a special "Thank you" gift to be drawn for at the Free Volunteer Appreciation BBQ in the fall. Once again we thank everyone for graciously paying their gate admission & volunteering to work a shift or two as well. Everyone in our wonderful community of volunteers at one time or another benefits from the proceeds of this event. Come celebrate our 10 years of success at the Fall BBQ~~ watch for posted dates.
